

Alcohol-based vs GP² Alcohol-free Sanitisers

ALCOHOL-BASED SANITISER	GP ² ALCOHOL-FREE SANITISER
<p>ALCOHOL TOXICITY Most liquid hand sanitizers contain a large amount of ethyl or isopropyl alcohol. Therefore, they should be stored out of your child's reach and only used with adult supervision. If ingested, alcohol toxicity can even lead to alcohol poisoning.</p>	<p>ALCOHOL FREE The GP² Hand & Surface Sanitiser kills more resilient germs such as Norovirus, E.coli, P.aeruginosa, S.aureus, A.brasiliensis and the usual bacteria. Is non-tainting to equipment and wood, unlike bleach or alcohol based products, which can strip surfaces.</p>
<p>DRY SKIN & RISK OF INFECTION When used too frequently, alcohol-based hand sanitizers can wash away your skin's natural oils, which can cause drying and cracking. Dry, cracked cuticles and skin can offer an entry point for germs to enter the body and cause infection.</p>	<p>IMPROVES SKIN CONDITION The GP² Hand & Surface Sanitiser is enhanced with skin conditioners which help maintain & improve skin condition and even moisturise dry hands.</p>
<p>FIRE HAZARD Most hand sanitizers on the market contain a high volume of alcohol, enough to be considered a fire hazard. Alcohol-based sanitisers are classified as Class I Flammable Liquid substance.</p>	<p>NON-FLAMMABLE The GP² Hand & Surface Sanitiser has no flash point, therefore fire hazard safe. The GP² Hand & Surface Sanitiser is non-toxic therefore safe for children and adults.</p>
<p>RESIDUAL PROTECTION Did you know that alcohol-based hand sanitizers become ineffective as soon as their concentration drops below a certain amount - i.e. as soon as some of it has evaporated off your hands? The protection from an alcohol-based sanitizer is only as long as you can feel it on your skin - once it evaporates, the protection ends.</p>	<p>48 HOUR PROTECTION In contrast, alcohol-free hand sanitisers, the GP² Hand & Surface Sanitiser has a 100% Bio kill rate by an independent SANAS laboratory over a 48 hour period. The GP² Hand & Surface Sanitiser will last longer and have a deeper cleansing effect.</p>
<p>RELIGIOUS CONCERNS Alcohol is not permissible for practicing Muslims</p>	<p>RELIGIOUS CONCERNS GP² Hand & Surface Sanitiser is non-toxic, non-skin drying, non-flammable and does not offend practising Muslims or Vegans.</p> <p>FDA Compliant SABS:SANS 1828 Compliant Food Grade Safe</p>
